Our Christmas

Probably.
Eeeeh!?
It's not limited to lovers!?
Did he only catch that part from living in the river?

Christmas?
I just thought they'd come and cause a fuss since it's Christmas Eve.

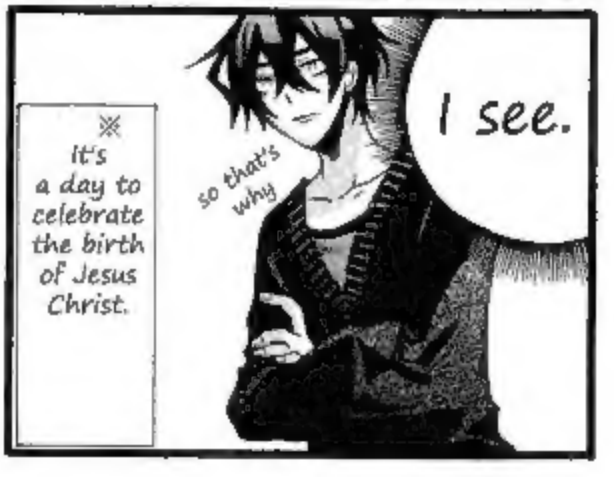
So, then,
we'll have to celebrate for them too.
there's more over there
So that's how it is... Those two don't know that so they're probably not coming.

But... that's because it has nothing to do with us.
Even though I prepared cake and food and a tree...
I guess it was for nothing.

.....

Christmas is a "day for lovers", after all.

It can't be helped since they're not here.
He looks happy.



※ It's a day to celebrate the birth of Jesus Christ.

Ah, there's a jelly cake too!
And the dinner is luxurious!!
Yay~~!!
The cake is so round!!
If you eat everything, you'll ruin your stomach.
You really are true to your desires.

You don't have to force yourself.
It's alright if you leave some for tomorrow.
You've got cream on your face
I need to take the chance when I have it!!!
I think cake's tastier the next day though.

What's this!?!

That's the only type I have.
We're two lonely guys having cake on our lonesome too.
Tatsumi!!!
This is mine!! I'm saving it for tomorrow!!

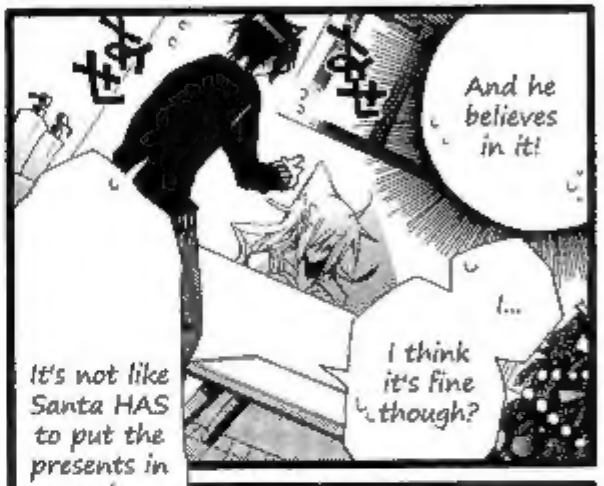
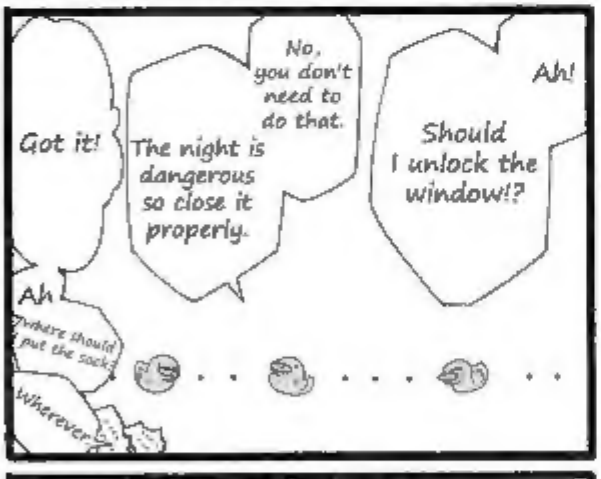
present
Crap...
It's the wrong atmosphere to give him his present now.

It's for Santa?
Something this small won't even fit an apple, so how should any present fit...?

Yup!
But I wonder if I'll be able to!
Then I guess it's best to sleep now.



And he believes in it!
I...
I think it's fine though?
It's not like Santa HAS to put the presents in a sock....



Got it!
No, you don't need to do that.
The night is dangerous so close it properly.
Ah!
Should I unlock the window!?
Ah
Where should I put the sock?
Wherever...

It sure is hard playing Santa.
thanks mom, dad

Really!?
That's a relief!
He's too excited!

...Now that I think about it,
how does he even sleep?
He doesn't have insomnia, right?
2 A.M.
He should be asleep by now right...?
...He's got gills?

I just thought it was superstition!!
